

Mayor's fundraising is a cut above⁶

THE Mayor of Frome invited families in the town to bring along their blunt knives, chisels and other small tools to be sharpened.

In return Councillor Peter Macfadyen asked for donations to his three charities for the year, the POD Youth Club; Edventure and Fair Frome.

In previous years Mr Macfadyen had undertaken all the sharpening on his own – this year he was supported by the shedders from the Frome Men's

Shed and some of the apprentices from Edventure.

Mayor Peter Macfadyen raised more than £100 for his charities with his tool sharpening

The sharpening session took place in the Frome Men's Shed at the Welshmill Hub.

Over £100 was raised for the mayor's charities.

Mr Macfadyen thanked Steve Lawless from Sergeants Ironmongers in Catherine Hill for collecting the knives, chisels, secateurs, and other tools left for sharpening.
